Bird Cards

The Healing Power of the Bird Kingdom Jane Toerien & Joyce van Dobben

Discover the remarkable healing power of birds, and how they can support us in our daily lives, with this powerful deck. Birds have much more to offer us than just a beautiful feathered suit and merry song. They can also support us with their remarkable healing powers. Each bird has its own strengths – we all know that the owl expresses wisdom, for instance, and that the stork is associated with birth – but how can this help us in our own lives? In *Bird Cards*, Jane Toerien reveals the characteristic energies of fifty-five well-known and lesser-known birds, complete with meditative affirmations, and explains how they can bring extraordinary clarity and insight to the issues we face every day. Joyce van Dobben's powerful drawings bring the birds to life, making this a deck to treasure as you connect with nature and discover the birds' astonishing insight for yourself.
